Contagious Abortion in Denmark. By C. O. Jensen 62

REVIEW.

The Early History of Veterinary Literature and its British Development. By the late Major-General Sir Frederick Smith, K.C.M.G., C.B. Vol. iv. 66

ERRATUM.

In the Index, Vol. XLV, Karn should be Carne.

NOTICE TO SUBSCRIBERS.

Communications, exchange journals, specimens, etc., for the Editor should be addressed to Sir John M'Fadyean, Highlands House, Leatherhead, Surrey.

BINDING CASES.—Maroon Full Bound Cloth. Can be obtained from the Publishers and Agents, Price 3s. 6d., post free.

ELIXIR HORMONIGEN

(HEWLETT'S)

A powerful and palatable preparation of the Hormones:—Thyroid, Pituitary, Ovary and Testes, constituting a valuable remedy for Bronchitis, Asthma, Chorea, etc., in Dogs.

Capt. ————, M.R.C.V.S., has had great success in the treatment of Bronchitis and Asthma, the animal being cured in one month. A paralysed Terrier, that could not stand or raise the head and had no co-ordination of its limbs, was treated with Elixir Hormonigen and made a rapid and perfect recovery.

A Setter, that had been under treatment for Chorea after Distemper by Specialists for two months, was given a teaspoonful in water three times a day half an hour before food and was completely cured after a month.

This preparation has also been recommended for Rickets and Arthritis in young dogs, and particularly in the treatment of Skin Diseases.

The dose for Terriers, etc., is one teaspoonful 3 or 4 times a day **before** food. Airedales may be given a dessertspoonful and **larger** dogs in proportion. Puppies, up to 6 months, half the above doses.

Price: 6/6 per lb.; W. Qts., 6/- per lb.

Also in bottles, labelled "TONIC ELIXIR FOR DOGS," with dose,
2 oz., 15/-; 4 oz., 25/- per doz.

Hormonigen Tablets

(HEWLETT'S)

Containing various pluriglandular extracts that have been found useful in Veterinary practice.

Hormonigen No. 1, for paralysis in dogs, 3/3 per 100; 30/- per 1,000. For sterility in cattle, particularly where œstrum is absent, 60-grain tablets, in tubes of 10 tablets, **1/6** per tube.

Hormonigen No. 5, for sterility in bitches, **3/6** per 100.

Hormonigen No. 6, for sterility in dogs, **2/6** per 100; double strength, 4/6 per 100.

Prepared only by

C. J. HEWLETT & SON, LTD.

WHOLESALE VETERINARY DRUGGISTS,
